(4) Official transcript (Scanned file is acceptable)

(5) A photocopy of passport

(6) A photocopy of the diploma of the highest education degree

(7) Documents showing the agreement of academic supervision from a researcher of the ICCS/IICS.

-----

About the project:

You are expected to attend classes, engage in individual studies, and participate in internship programs. Students will consult their supervisors about taking Chinese courses, short-term independent study courses, joining short-term internship programs and fieldworks, collecting research materials, and participating in seminars.

Internship opportunities:

You will be invited to work as interns at Taiwan Film Institute, art galleries, museums, cultural institutes of community, social organizations, International Institutes for Cultural Studies from the University System of Taiwan (UST), Inter-Asia Cultural Studies Program of the International Office, or at your supervisor's office.

The project will prioritize applicants who are

- (1) From affiliated programs, universities, or research centers of ICCS/IICS or UST;
- (2) Receiving scholarships from other resources;
- (3) Academically outstanding.

TEEP Project offers Student participants:

- (1) Allowance: \$10,000 TWD/month.
- (2) Opportunities to participate in independent research projects, short-term internship programs, data collection, and field trips (on students' expenses, except students who register at affiliated programs of the ICCS/IICS),
- (3) Supervision of their advisors and arrangements of internship from the ICCS/IICS
- (4) Opportunities for interaction with local researchers.
- (5) Supporting documents for enrolling the International Master Program of the Inter-Asian Cultural Studies and Ph.D. programs of the Institute of Social Research and Cultural Studies, National Chiao Tung University.

You are expected to

- (1) Participate in 3 academic activities (lectures, courses, etc.) offered by the University System of Taiwan, and publish articles on Blog or FB.
- (2) Submit a 1,000-word final report by the end of the project.
- (3) Record TEEP participation experience before departure.
